Assessment Requirements for FSKNUM02 Use beginning skills related to time and 2D shapes for work

Modification History

Release	Comments
Release 1	This streamlined version first released with <i>FSK Foundation Skills Training Package version 1.0</i> .

Performance Evidence

Evidence of the ability to:

- order and group items based on attributes of shape and colour
- identify and read digital time, days of the week, months and dates.

Note: Where a specific volume and/or frequency is not specified, evidence must be provided at least once.

Knowledge Evidence

Evidence of the following knowledge must be demonstrated:

- position of order
- days of week, months of year, and dates
- 30 minutes is half an hour.

An individual competent in this unit does not need to name shapes or properties when ordering or grouping items.

Assessment Conditions

Assessment texts and tasks reflect those typically found in the workplace.

A significant level of support and advice is available.

Culturally appropriate processes and techniques suited to the language, literacy and numeracy capacity of individuals and the work being performed must be used.

Reasonable adjustments can be made to ensure equity in assessment for people with disabilities.

Assessors must satisfy NVR/AQTF assessor requirements, have a sound knowledge of the ACSF and have demonstrable expertise in the vocational contextualisation and assessment of the core skill - numeracy.
