FSKRDG001 Recognise extremely short and simple workplace signs and symbols

Modification History

Release	Comments
Release 1	This version first released with FSK Foundation Skills Training Package Version 2.0.

Application

This unit describes the skills and knowledge required to recognise highly familiar and extremely short and simple workplace signs and symbols in printed or digital formats, such as Work Health and Safety (WHS) signs and symbols.

An individual performing these tasks operates alongside an expert or mentor where significant support, prompting advice and modelling can be provided.

This unit applies to individuals who use, or are preparing to use, reading skills to complete workplace activities. This includes existing workers and individuals preparing for employment through vocational education and training. This unit can be integrated and contextualised with vocational training to support achievement of vocational competency.

This unit is aligned to, but does not fully address, the Australian Core Skills Framework (ACSF) reading core skill indicators .03 and .04 at pre-level 1 in the workplace and employment domain of communication.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
