Release 1	This version released with FWP Forest and Wood Products Training Package Release 2.0.

Qualification Description

This qualification is designed for job roles in the wood panel products sector of the forest and forest products industry.

This qualification has three employment pathways for typical operational environments of wood panel products. These are:

- Production Worker (Laminates)
- Production Worker (Panel and Board)
- Production Worker (Veneer)

Some imported units in the elective bank may be subject to licensing, legislative, regulatory, or certification requirements. These units must be implemented in line with the licensing requirements outlined in the unit's parent Training Package.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To achieve this qualification, competency must be demonstrated in:

- 13 units of competency:
 - 5 core units plus
 - 8 elective units.

Elective units must ensure the integrity of the qualification's Australian Qualification Framework (AQF) alignment and contribute to a valid, industry-supported vocational outcome. The electives are to be chosen as follows:

- 3 from Group A electives listed below
- 5 from Group A and/or Group B electives listed below, the total of which can include up to 2 units recommended for packaging at Certificate I, II or III level from this or any other endorsed Training Package or state/territory accredited course.
