FWPCOT5211 Implement forest management certification scheme

Release: 1

FWPCOT5211 Implement forest management certification scheme

Modification History

Release	Comments
Release 1	This version released with FWP Forest and Wood Products Training Package Version 7.0.

Application

This unit of competency describes the skills and knowledge required to implement and comply with the requirements of a forest management certification scheme as part of forest growing and management activities.

The unit applies to individuals who are responsible for the implementation of forest management certification schemes.

All work must be carried out to comply with workplace procedures according to state/territory health and safety regulations, legislation and standards that apply to the workplace.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Unit Sector

Common Technical (COT)
