Qualification Description

This qualification reflects the role of workers who undertake a range of tasks under direct supervision to support the provision of primary health care services to Aboriginal and/or Torres Strait Islander clients and communities. Such work will be performed as part of a health clinic, centre or service. This qualification is suited to Australian Apprenticeship pathways and is appropriate for delivery within VET in Schools programs.

No licensing, legislative or certification requirements apply to this qualification at the time of publication

Packaging Rules

Total number of units = 10, including:

- ▶ 7 core units
- ▶ 3 elective units from the list below or from any endorsed Training Packages or accredited courses relevant to the work outcome.

All electives chosen must contribute to a valid, industry-supported vocational outcome.
