**Qualification Description**

This qualification reflects the role of first medical response workers or volunteers who provide initial care to patients. These people provide basic first aid and emergency responses in the pre-hospital/out-of-hospital environment.

*No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.*
Packaging Rules

Total number of units = 9

- 4 core units
- 5 elective units, consisting of:
  - at least 2 units from the electives listed below
  - up to 3 units from the electives listed below, any endorsed Training Package or accredited course – these units must be relevant to the work outcome

All electives chosen must contribute to a valid, industry-supported vocational outcome.
