HLT33015 Certificate III in Allied Health Assistance

Release 1

HLT33015 Certificate III in Allied Health Assistance

Modification History

Release	Comments
Release 1	<p>This version was released in <i>HLT Health Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Change in packaging rules. Significant changes to core. Minimum work requirement of 80 hours.</p>

Qualification Description

This qualification reflects the role of allied health assistants who provide assistance to allied health professionals under predetermined guidelines. Depending on the setting, work may include following treatment plans for therapeutic interventions and/or conducting programs under the regular direct, indirect or remote supervision of an allied health professional.

To achieve this qualification, the candidate must have completed at least 80 hours of work as detailed in the Assessment Requirements of the units of competency.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

Packaging Rules

Total number of units = 11

- 8 core units
- 3 elective units, consisting of:
 - at least 2 units from the electives listed below
 - up to 1 unit from any endorsed Training Package or accredited course – the unit must be relevant to the work outcome

All electives chosen must contribute to a valid, industry-supported vocational outcome.
