HLT33021 Certificate III in Allied Health Assistance

Release 1

HLT33021 Certificate III in Allied Health Assistance

Modification History

Not applicable.

Qualification Description

This qualification reflects the role of a new worker wanting to become an Allied Health Assistant and gain entry to the aged care, disability and other health sectors. They may provide assistance, under the delegation and supervision of Allied Health Professionals (AHP).

Supervision may be direct, indirect or remote, according to the individual Allied Health Assistant's scope of practice and experience.

To achieve this qualification, the candidate must have completed at least 120 hours of clinical placement as detailed in the Assessment Requirements of the units of competency.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Packaging Rules

12 units must be completed:

- 7 core units
- 5 elective units, consisting of:
 - at least 4 units from the electives listed below
 - up to 1 unit from the electives listed below, any endorsed Training Package or accredited course – this unit must be relevant to the work outcome

All electives chosen must contribute to a valid, industry-supported vocational outcome.
