HLT37215 Certificate III in Pathology Collection

Release 1

HLT37215 Certificate III in Pathology Collection

Modification History

Release	Comments
Release 1	<p>This version was released in <i>HLT Health Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>Split of HLT32612. Change to packaging rules. Significant changes to core units minimum work requirements of 35 hours.</p>

Qualification Description

This qualification reflects the role of pathology collectors. Workers in this role follow known routines and procedures, taking responsibility for their own work under general supervision. They combine communication, customer service and technical skills, and use discretion and judgment to adapt and transfer their skills to different situations.

To achieve this qualification, the candidate must have completed at least 35 hours of work as detailed in the Assessment Requirements of units of competency.

No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.

Packaging Rules

Total number of units = 14

- 9 core units
- 5 elective units, consisting of:
 - at least 2 units from the electives listed below
 - up to 3 units from the electives listed below, any endorsed Training Package or accredited course – these units must be relevant to the work outcome

All electives chosen must contribute to a valid, industry-supported vocational outcome.
