Qualification Description

This qualification reflects the role of workers who provide therapeutic and program related support to allied health professionals. The worker is required to conduct therapeutic and program related activities under the guidance of an allied health professional. Supervision may be direct, indirect or remote and must occur within organisation requirements. The worker is required to identify client circumstances that need additional input from the allied health professional. The worker may be engaged to work in a specialty area or work generically across the organisation in delivery of allied health assistance services. The worker, in conjunction with the allied health professional, may have responsibility for supervising other allied health assistance workers.

To achieve this qualification, the candidate must have completed at least 120 hours of work as detailed in the Assessment Requirements of the units of competency.

*No licensing, legislative, regulatory or certification requirements apply to this qualification at the time of publication.*
Packaging Rules

Total number of units = 16

- 7 core units
- 9 elective units, consisting of:
  - at least 6 units from the electives listed below, at least 2 of these units must be coded HLTAAHA
  - up to 3 units from any endorsed Training Package or accredited course – these units must be relevant to the work outcome

Any combination of electives that meets the rules above can be selected for the award of the Certificate IV in Allied Health Assistance. Where appropriate, electives may be packaged to provide a qualification with a specialisation.

Packaging for each specialisation:

- All Group A electives must be selected for award of the Certificate IV in Allied Health Assistance (Physiotherapy)
- All Group B electives must be selected for award of the Certificate IV in Allied Health Assistance (Podiatry)
- All Group C electives must be selected for award of the Certificate IV in Allied Health Assistance (Occupational therapy)
- All Group D electives must be selected for award of the Certificate IV in Allied Health Assistance (Speech pathology)
- All Group E electives must be selected for award of the Certificate IV in Allied Health Assistance (Community rehabilitation)
- All Group F electives must be selected for award of the Certificate IV in Allied Health Assistance (Nutrition and dietetics)

Where 2 (or more) specialisations are completed, award of the qualification would read, for example, Certificate IV in Allied Health Assistance (Physiotherapy, Occupational Therapy)

All electives chosen must contribute to a valid, industry-supported vocational outcome.
