HLT45021 Certificate IV in Dental Assisting

Release 1

HLT45021 Certificate IV in Dental Assisting

Modification History

Release 1. HLT45021 Certificate IV in Dental Assisting supersedes and is not equivalent to HLT45015 Certificate IV in Dental Assisting.

Qualification Description

This qualification reflects the role of workers who provide an advanced level of assistance to dental practitioners which contributes to the quality of oral health care.

The skills in this qualification must be applied in accordance with Commonwealth and State/Territory legislation, Australian standards and industry codes of practice.

Dental radiography work must only be performed by a person with a radiation user licence granted by the relevant State /Territory regulatory authority under legislation.

No occupational licensing, certification or specific legislative requirements apply to this qualification at the time of publication.

Entry Requirements

Entry to this qualification is open to individuals who have achieved:

- HLT31812 Certificate III in Dental Assisting or
- HLT35015 Certificate III in Dental Assisting or
- HLT35021 Certificate III in Dental Assisting or
- equivalent.

Packaging Rules

8 Units must be completed:

- 2 core units
- 6 elective units, consisting of:
 - at least 4 units from the electives listed below.
 - up to 2 units from the electives listed below or any other endorsed Training Package or accredited course.

Any combination of electives that meets the rules above can be selected for the award of the *Certificate IV in Dental Assisting*. Electives may be packaged to provide a Qualification with a specialisation, as outlined below.

Packaging for specialisation:

- All Group A electives must be selected for award of the *Certificate IV in Dental Assisting (Dental Radiography)*.

All electives chosen must contribute to a valid, industry-supported vocational outcome.

Note: Units marked with an asterisk * include one or more prerequisite units of competency. Refer to unit of competency for prerequisite requirements
