HLT54121 Diploma of Nursing

Modification History

Release	Comments
Release 3	Minor corrections to mapping details. Equivalent outcomes.
Release 2	Minor corrections to formatting to improve readability. Equivalent outcomes.
Release 1	HLT54121 Diploma of Nursing supersedes and is not equivalent to HLT54115 Diploma of Nursing.

Qualification Description

This qualification reflects the role of an enrolled nurse working under the direct or indirect supervision of a registered nurse.

Enrolled nurses provide nursing care for people across the health care continuum and at all stages of life.

To be eligible to apply for registration as an enrolled nurse and to practice in Australia, individuals must complete a Diploma of Nursing program accredited by the Australian Nursing and Midwifery Accreditation Council (ANMAC) and approved as 'an approved program of study' by the Nursing and Midwifery Board of Australia (NMBA) in accordance with the Enrolled Nurse Accreditation Standards. To confirm the education provider holds the necessary accreditation check the Australian Health Practitioner Regulation Agency (AHPRA) at www.ahpra.gov.au.

The scope of practice for enrolled nurses is determined by legislative requirements and the policies and procedures of the employing organisation.

This qualification may contribute to the Nursing and Midwifery Board of Australia's (NMBA) registration requirements to practice as an enrolled nurse.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

25 units must be completed:

- 20 core units
- 5 elective units, consisting of:
 - 3 units from the list below

- 2 units from the list below, elsewhere in the HLT Health Training Package, or any other current Training Package or accredited course.

The selection of electives must be guided by the job outcome sought, local industry requirements and the complexity of skills appropriate to the AQF level of this qualification.
