New evidence requirements for assessment including volume and frequency requirements. Significant change to knowledge evidence.</p>

Application

This unit describes the skills and knowledge required to provide a range of non-client contact support to a nursing team delivering nursing care in an acute care environment.

This unit applies to workers who support the nursing care team under the direction and supervision of a registered nurse in an acute care setting.

The skills in this unit must be applied in accordance with Commonwealth and State/Territory legislation, Australian/New Zealand standards and industry codes of practice.

Elements and Performance Criteria

ELEMENT

PERFORMANCE CRITERIA
