## HLTSS00073 Oral Health Care Skill Set

### Modification History

Release	Comments
Release 2	Minor corrections to formatting to improve readability. Equivalent outcomes.
Release 1	HLTSS00073 Oral Health Care Skill Set. New skill set.

### Description

This skill set provides a set of skills for promoting good oral health to clients and groups through the provision of visual oral health checks, and educational and motivational information including the demonstration of oral hygiene practices and techniques.

### Pathways Information

Achievement of these units provides credit towards a range of qualifications in the HLT Health Training Package and CHC Community Services Training Package.

### Licensing/Regulatory Information

No occupational licensing, certification or specific legislative requirements apply to this Skill Set at the time of publication.

### Skill Set Requirements

Unit code	Unit title
HLTOHC007	Recognise and respond to oral health issues
HLTOHC008	Inform and support patients and groups about oral health
HLTOHC011	Apply fluoride varnish

### Target Group

This skill set is targeted at individuals who have completed a Certificate III level or higher qualification in community services or health who are seeking to broaden their skills in oral health care.

## **Suggested words for Statement of Attainment**

These units of competency from the HLT Health Training Package provide a set of skills in oral health care.
