Medicine (TCM) remedial massage
treatments**

Assessment Requirements for HLTTCM005 Monitor and evaluate Traditional Chinese Medicine (TCM) remedial massage treatments

Modification History

Release	Comments
Release 1	<p>This version was released in <i>HLT Health Training Package release 2.0</i> and meets the requirements of the 2012 Standards for Training Packages.</p> <p>New unit.</p>

Performance Evidence

The candidate must show evidence of the ability to complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the job role. There must be evidence that the candidate has:

- performed the activities outlined in the performance criteria of this unit during a period of at least 200 hours of client consultation work
- managed at least 100 TCM remedial massage assessment and treatment sessions - clients must include males and females from different stages of life with varied presentations
- monitored and evaluated TCM remedial massage treatments provided to at least 5 different clients with at least 3 treatments per client

Knowledge Evidence

The candidate must be able to demonstrate essential knowledge required to effectively complete tasks outlined in elements and performance criteria of this unit, manage tasks and manage contingencies in the context of the work role. This includes knowledge of:

- types of criteria by which TCM treatments are evaluated
- expectations of treatment for different conditions and client groups, and factors that impact on those expectations:
 - client history
 - contraindications
 - compliance
 - interactions with other treatments
- methods of monitoring treatment progress
 - re-assessment
 - client feedback

- barriers to therapeutic progress and ways to respond within a TCM framework
- sources of research and evidence that support TCM remedial massage practice
- principles underpinning continuation or variation of treatment

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated clinical environment that reflects workplace conditions. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - client information – case history, treatment plan
 - private consultation area
 - massage table
 - massage towels
 - massage oils
 - cups
 - gua sha facilities
- modelling of industry operating conditions, including provision of services to the general public
- clinic supervision by a person who meets the assessor requirements outlined below for at least 120 of the 200 hours of client consultation work

Assessors must satisfy the Standards for Registered Training Organisations (RTOs) 2015/AQTF mandatory competency requirements for assessors

In addition, assessors must:

- have at least 5 years current clinical experience working as a TCM remedial massage therapist providing services to the general public
- hold practising membership of an Australian professional body that represents TCM remedial massage therapists\
- fulfil the continuing professional development requirements of the professional body to which they belong
