HLT20907 Certificate II in Population Health

Release: 1

HLT20907 Certificate II in Population Health

Modification History

Not Applicable

Description

This qualification covers workers who provide basic support in Population Health work. Workers at this qualification level apply competencies within a limited scope of operation and highly defined range of contexts, where the choice of actions required is clear. These workers implement directives of superiors and work under routine guidance with intermittent checking. This qualification is suited to Australian Apprenticeships pathways.

Occupational titles for these workers may include:

- Indigenous support worker
- Support officer
- Peer educator

Core units

CHCORG201B

Follow policies, procedures and programs of the organisation

HLTOHS200B

Participate in OHS processes

HLTPOP301C Work effectively in the population health sector

The importance of culturally aware and respectful practice

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

Group A electives - recommended for culturally aware and respectful practice

Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

HLTHIR403C Work effectively with culturally diverse clients and co-workers

HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

Group B electives - at least 3 units required

At least 3 electives are to be selected from the following units.

CHCCD413D Work within specific communities
