HLTHIR506C Implement and monitor compliance with legal and ethical requirements  
HLTIN301C Comply with infection control policies and procedures  
HLTWHS300A Contribute to WHS processes

#### The importance of culturally aware and respectful practice

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

#### Group A electives - recommended for culturally aware and respectful practice

Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

HLTHIR403C Work effectively with culturally diverse clients and co-workers

HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

**Other relevant electives**

Electives are to be selected in line with specified Packaging Rules. The following list of relevant electives is intended to facilitate selection. Employers may specify that certain electives are required to address specific workplace needs.

BSBCUS301B Deliver and monitor a service to customers

BSBFLM303C Contribute to effective workplace relationships

BSBINM301A Organise workplace information

BSBINN301A Promote innovation in a team environment
