The importance of culturally aware and respectful practice
All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

**A minimum of 2 electives must be selected** from the units listed below.

**Group A electives - recommended for culturally aware and respectful practice**  
Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

- HLTHIR403C Work effectively with culturally diverse clients and co-workers
- HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

**Other relevant electives**

- BSBCUS301A Deliver and monitor a service to customers
- BSBINN301A Promote innovation in a team environment
- BSBMED301B Interpret and apply medical terminology appropriately
- BSBRES401A Analyse and present research information
- BSBWOR301A Organise personal work priorities and development
- BSBWOR401A Establish effective workplace relationships
- BSBWOR402A Promote team effectiveness
- HLTAMBPD401C Manage personal stressors in the work environment
- HLTAP401B Confirm physical health status
- HLTMT307A Clean location to achieve low bacteria status
- HLTOHS401A Maintain workplace OHS processes

Additional electives may be selected in line with the specified Packaging Rules. Employers may specify that certain electives are required to address specific workplace needs.
