Packaging Rules

PACKAGING RULES

13 units of competency are required for award of this qualification, including:

- 8 core units
- 5 elective units

A wide range of elective units is available, including:

- At least 2 electives from the relevant electives listed below
- Group A electives which are recommended for culturally aware and respectful practice
- Units of competency to address workplace requirements and packaged at the level of this qualification or higher in Health and/or Community Services Training Packages
- Where appropriate, to address workplace requirements, up to 2 units of competency packaged at the level of this qualification or higher in other relevant Training Packages or accredited courses where the details of those courses are available on the TGA or other public listing

Core units

HLTAP301B Recognise healthy body systems in a health care context

HLTHIR301C Communicate and work effectively in health

HLTHY401D Prepare multi-place hyperbaric chamber

HLTHY402D Operate multi-place hyperbaric chamber

HLTHY403D Conduct post compression routines

HLTHY404D Implement emergency procedures for hyperbaric chamber

HLTIN301C Comply with infection control policies and procedures

HLTWHS300A Contribute to WHS processes

The importance of culturally aware and respectful practice

All workers undertaking work in health need foundation knowledge to inform their work with Aboriginal and/or Torres Strait Islander clients and co-workers and with clients and co-workers from culturally and linguistically diverse backgrounds. This foundation must be provided and assessed as part of a holistic approach to delivery and assessment of this qualification. Specific guidelines for assessment of this aspect of competency are provided in the Assessment Guidelines for the Health Training Package.

A minimum of 2 electives must be selected from the units listed below.

Group A electives - recommended for culturally aware and respectful practice

Where work involves a specific focus on Aboriginal and/or Torres Strait Islander and/or culturally diverse clients or communities, one or both of the following electives is recommended:

HLTHIR403C Work effectively with culturally diverse clients and co-workers

HLTHIR404D Work effectively with Aboriginal and/or Torres Strait Islander people

Other relevant electives

BSBCUS301B Deliver and monitor a service to customers

BSBINN301A Promote innovation in a team environment

BSBMED301B Interpret and apply medical terminology appropriately

BSBRES401A Analyse and present research information

BSBWOR301B Organise personal work priorities and development

BSBWOR401A Establish effective workplace relationships

BSBWOR402A Promote team effectiveness

HLTAMBPD401C Manage personal stressors in the work environment

HLTAP401B Confirm physical health status

HLTMT307B Clean location to achieve low bacteria status

HLTWHS401A Maintain workplace WHS processes

Additional electives may be selected in line with the specified Packaging Rules.

Employers may specify that certain electives are required to address specific workplace needs.
