## ICPPRP4210 Compose and evaluate typography

### Modification History

Release	Comments
Release 1	This version first released with ICP Printing and Graphic Arts Training Package Version 4.0.

### Application

This unit describes the skills and knowledge required to undertake advanced typesetting and typography involving contingencies and problem-solving beyond routine requirements.

It applies to individuals who compose type and manage storage and retrieval in the graphic pre-press sector of the printing and graphic arts industry. The individual works independently and is able to cope with the unexpected challenges related to the job.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

### Pre-requisite Unit
