ICPSUP417 Perform laboratory quality tests of materials and finished product

Release: 1

ICPSUP417 Perform laboratory quality tests of materials and finished product

Modification History

Release	Comments
Release 1	This version first released with ICP Printing and Graphic Arts Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to quality-test materials and printed products in a laboratory.

It applies to individuals who perform a broad range of skilled tasks relating to the printing and graphic arts industry, and may also provide some leadership and guidance to others in the application and planning of the skills.

No licensing, legislative or certification requirements apply to this unit at the time of publication.
