ICTICT610 Manage copyright, ethics and privacy in an ICT environment

Release: 1

ICTICT610 Manage copyright, ethics and privacy in an ICT environment

Modification History

Release	Comments
Release 1	This version first released with ICT Information and Communications Technology Training Package Version 1.0.

Application

This unit describes the skills and knowledge required to manage the issues of copyright and professional and ethical conduct in a team, as well as to ensure that personal information of stakeholders is handled in a confidential and professional manner.

It applies to individuals who operate at a senior level with a high degree of autonomy in managing policies and system security.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Unit Sector

General ICT

Elements and Performance Criteria

ELEMENT	PERFORMANCE CRITERIA
<i>Elements describe the essential outcomes.</i>	<i>Performance criteria describe the performance needed to demonstrate achievement of the element.</i>
1. Manage adherence to copyright regulations	1.1 Review current Australian copyright law, and in particular its relationship to information and communications technology (ICT) 1.2 Ensure that team members are aware of Australian copyright law and how it affects their work 1.3 Institute measures to ensure that copyright is not breached 1.4 Institute regular reviews to ensure organisational copyright requirements are up to date and team members are adhering to these requirements 1.5 Distribute updated versions if required
2. Manage ethical behaviour	2.1 Review appropriate code of ethics, both organisational and ICT specific 2.2 Acquaint team members with ethical requirements 2.3 Institute regular reviews of team members' ethical work practices and feedback to ensure correct application of the code 2.4 Ensure that stakeholders are aware of ethics code, and adjust appropriately following stakeholder feedback 2.5 Institute regular reviews of stakeholder understanding and application of code of ethics 2.6 Establish a review and grievance procedure to enable confidential reporting of ethical issues 2.7 Institute regular reviews of code of ethics, updating and distributing as required
3. Manage privacy	3.1 Institute a regular review of the relevance of legislation and standards to organisational outcomes, the organisation's privacy policy and procedures, and the work practices of team members with regard to these requirements 3.2 Determine and ensure the integrity, confidentiality, security and availability of information as required by the organisational policy 3.3 Ensure continued confidentiality and proprietary rights of stakeholders' interests 3.4 Contribute to the creation or updating of the organisation's

ELEMENT	PERFORMANCE CRITERIA
	privacy policy and procedures to align with privacy legislation 3.5 Distribute new or revised policy and procedures to stakeholders 3.6 Implement new work procedures and collect feedback from stakeholders
