MAR40115 Certificate IV in Maritime Operations (Marine Surveying)

Release 2
MAR40115 Certificate IV in Maritime Operations (Marine Surveying)

Modification History
Release 1. First release of this qualification in the MAR Maritime Training Package.
Release 2. Codes of imported units have been updated to include most current.

Qualification Description
This qualification is suitable for people working in the maritime industry as a domestic commercial vessel surveyor assistant.

This qualification is currently cited as meeting some of the requirements for accreditation as a surveyor of domestic commercial vessels by the Australian Maritime Safety Authority (AMSA).

Accreditation will require achievement of other requirements; people seeking accreditation should check with AMSA.

Entry Requirements
There are no entry requirements for this qualification.
