MAR40116 Certificate IV in Maritime Operations (Chief Integrated Rating)

Modification History
Release 1. New qualification.

Qualification Description
This qualification is suitable for people working in the maritime industry in charge of the Integrated Ratings on a ship, who are responsible for implementing the planned maintenance system and maintaining relevant stores.

This qualification meets the competency requirements of a Chief Integrated Rating as described in Marine Orders 70 and 73 (2014) under the Australian Navigation Act 2012 administered by the Australian Maritime Safety Authority (AMSA).

Other requirements include sea-service, a declaration of medical fitness and completion of a task record book. People seeking AMSA certification should check the requirements with AMSA.

Entry Requirements
There are no entry requirements for this qualification.

Packaging Rules
Total number of units = 27
27 core units

Core units
