MARSS00013 Cargo Handling Skill Set

Release 1

MARSS00013 Cargo Handling Skill Set

Modification History

Release 1. New Skill Set.

Description

This Skill Set reflects the skills required by Integrated Ratings to undertake a range of offshore activities on board an offshore support vessel (OSV).

Pathways Information

The Cargo Handling Skill Set is part of the MAR Maritime Training Package.

Licensing/Regulatory Information

Users should ensure that they have also read the section in the Companion Volume Implementation Guide that outlines licensing and regulatory requirements.

Skill Set Requirements

A total of **1 unit** of competency must be attained.

MARA007	Contribute to safe cargo operations on offshore support vessels
---------	---

Target Group

People who hold a current Certificate III in Maritime Operations (Integrated Rating) or higher deck or engineer officer qualification or equivalent, or are working towards such qualifications.

It is most suitable for personnel new to offshore operations.

Suggested words for Statement of Attainment

The MAR Cargo Handling Skill Set provides additional skills required by an Integrated Rating to support a range of offshore activities.
