Assessment Requirements for MSFFP2020 Undertake a basic furniture making project

Release: 1

Assessment Requirements for MSFFP2020 Undertake a basic furniture making project

Modification History

Release 1. Changes to code, application, elements, performance criteria, assessment requirements. Foundation skills added. Range of conditions removed. Assessment requirements changed.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- research, plan and complete a furniture making project, including
 - estimating the material, skill and time requirements for at least 1 of the following projects
 - lamp table
 - hall table
 - bedside table
 - occasional table
 - hat stand
 - dining chair
 - writing desk
 - blanket box
 - ottoman
 - choosing a project (not required to be one of the above) that is achievable given material, skill and time constraints
 - selecting furnishing materials and calculating quantities needed, including at least 1 of the following:
 - timber
 - engineered board
 - composite materials
 - upholstery foams
 - glass
 - textiles
 - metal
 - pre-machined components
 - selecting hardware and calculating quantities needed, including at least 1 of the following:
 - hinges
 - knockdown fittings

- handles
- screws
- staples
- nails/upholstery tacks
- drawer runners and fixtures
- lock
- determining appropriate joining methods, including at least 1 of the following:
 - knock down fittings
 - nails
 - screws
 - gluing
 - biscuits
 - timber joints
 - dowels
 - dominoes
- producing drawings of the project product and its components
- planning sequence of manufacture
- producing components
- assembling project, including using tools and equipment in a safe and effective manner
- inspecting finished project against quality requirements
- tidying/cleaning work area as appropriate
- returning tools, equipment and project items to designated storage areas and/or conditions.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- basic online research techniques and sources of information on furnishing projects, materials and components
- furnishing drawing practices
- tools and equipment, including personal protective equipment (PPE), commonly used in furniture making
- safe work practices and procedures in a furniture making environment, including use of PPE
- methods of joining timber and engineered board.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
 - tools, equipment and materials, including PPE, required for performance evidence

- procedures for work health and safety.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
