MSFGG3023 Apply and handle films

Release: 1

MSF GG3023 Apply and handle films

Modification History

Release 1. Supersedes and is not equivalent to MSF GG3007 Apply and handle films.

Application

This unit describes the skills and knowledge required to prepare glass surfaces and apply window film. Work may be completed in domestic or commercial environments, including automotive enterprises.

This unit applies to glass processing workers.

Licensing, legislative or certification requirements may apply to this unit and relevant state/territory and local government agencies should be consulted to determine any necessary certification or licensing for undertaking application of window film and coating work. Access to construction sites requires certification of general induction training specified by the National Code of Practice for Induction for Construction Work (ASCC 2007).

Pre-requisite Unit

N/A

Unit Sector

Glass and Glazing

Elements and Performance Criteria

Elements	Performance Criteria
