MSFPPF2014 Assemble basic artwork packages

Release: 1

MSFPF2014 Assemble basic artwork packages

Modification History

Release 1. Supersedes and is equivalent to MSFPF2007 Assemble a basic artwork package.

Application

This unit describes the skills and knowledge required to identify, gather and assemble all picture frame components.

This unit applies to picture framers and others completing work in accordance with pre-determined frame designs. Designs involve basic framing for two dimensional (2D), flat artworks requiring a simple, single frame.

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit

N/A

Unit Sector

Picture Framing
