MSFPF3010 De-frame artwork

Release: 1

MSFPF3010 De-frame artwork

Modification History

Release 1. Supersedes and is equivalent to MSFPF3001 De-frame artwork.

Application

This unit describes the skills and knowledge required to dismantle and remove artwork from frames, including the sorting, recording and documentation of original items.

This unit applies to picture framers who de-frame items in different media for the purposes of repair, restoration or re-framing. They use discretion, judgement and specialised knowledge.

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit

N/A

Unit Sector

Picture Framing
