MSFPPF4004 Determine and apply gilding techniques

Release: 1

MSFPF4004 Determine and apply gilding techniques

Modification History

Release 1. Supersedes and is equivalent to MSFPF4002 Determine and apply gilding techniques.

Application

This unit of competency describes the skills and knowledge required to assess and apply gilding requirements to new picture frames and those requiring repair or restoration.

This unit applies to picture framers offering specialised gilding services. They use discretion, judgement and specialised knowledge to select, use and adapt different materials and techniques

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit

N/A

Unit Sector

Picture Framing
