MSFSS00011 Kitchen and Bathroom Installer License

Release 1

MSFSS00011 Kitchen and Bathroom Installer License

Modification History

Release 1. Supersedes and equivalent to MSFSS00004 Kitchen and Bathroom Installer License.

Description

This Skill Set has been developed for the upskilling of existing cabinet makers to conform with licensing requirements for the installation of kitchen and bathrooms cabinets.

Pathways Information

These competencies can provide credit towards relevant certificate IV qualifications from the MSF Furnishing Training Package.

Licensing/Regulatory Information

There are no licensing or regulatory requirements directly associated with the MSF units of competency in this Skill Set. However, this Skill Set meets the licensing requirements in some jurisdictions for the installation of kitchen and bathroom cabinets.

Skill Set Requirements

MSFFT4001	Co-ordinate on-site installation of furnishing products
MSFFDM4009	Match furnishing style and materials to customer requirements
MSFGN3002	Estimate and cost job
MSFFM3011	Measure and draw site layout for manufactured furniture products
MSFFM3005	Fabricate custom furniture
MSFFM3006	Install furnishing products

Target Group

This Skill Set applies to persons having documented relevant industry experience or completed MSF31113 Certificate III in Cabinet making who are required to attain a license for the installation of kitchens and bathrooms and to ensure requirements are maintained and monitored to meet Australian standards and client needs.

Suggested words for Statement of Attainment

These competencies from the MSF Training Package meet the minimum industry requirements for a license for the installation of kitchen and bathrooms within the furnishing industry.
