MSFSS00017 Fitted Furniture Estimating

Release 1

MSFSS00017 Fitted Furniture Estimating

Modification History

Release 1. Supersedes and is equivalent to MSFSS00012 Fitted Furniture Estimator.

Description

This skill set reflects the skills required to cost work and prepare tender submissions for the installation of fitted furniture in response to customer requirements.

Pathways Information

These units provide credit towards relevant Certificate III and Certificate IV qualifications in the MSF Furnishing Training Package.

Licensing/Regulatory Information

No licensing, legislative or certification requirements apply to this skill set at the time of publication.

Skill Set Requirements

BSBOPS304	Deliver and monitor a service to customers
MSFFDM4011	Prepare tender submissions
MSFFM3041	Determine and document requirements for cabinetry installation
MSS402051	Apply quality standards
MSS404054	Apply statistics to operational processes

Target Group

This skill set is suitable for individuals who have relevant industry experience at a Certificate III level and who seek to upgrade skills in customer service, costing and quoting of work and preparation of professional tender documents to improve business performance.

Suggested words for Statement of Attainment

These competencies from the MSF Furnishing Training Package meet industry requirements for the estimating associated with the manufacture and installation of fitted furniture.
