Assessment Requirements for MSFUP3015 Apply traditional foundations to upholstered furniture

Assessment Requirements for MSFUP3015 Apply traditional foundations to upholstered furniture

Modification History

Performance Evidence

There must be evidence the candidate has completed all the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- apply traditional foundations to at least 3 items of upholstered furniture, collectively including at least 4 of the following:
  - interlace and turn back jute webbing
  - tie off and lace up coil springs
  - fit hessian bridles (loose and/or deep)
  - use coconut fibre
  - use wadding (flock or linters)
  - create a stitched edge (one blind, one top, one edge roll).
  -

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- workflow for furniture production and refurbishment
- traditional foundation types and fittings
- techniques for constructing traditional foundations
- characteristics and uses of materials, including at least 6 of the following, in traditional foundations:
  - webbing
  - coil springs
  - flock
  - linters
  - coconut fibre
  - bridle
  - bridle ties
  - solid timber base
  - padded frames
  - hard edge
  - hessian
  - calico
  - lacing twine

- twine for stitched edging and sewing in springs
- tools and equipment commonly used in traditional foundation construction
- work health and safety requirements, including personal protective equipment (PPE) and manual handling procedures.
-

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
  - work orders
  - tools and equipment required for performance evidence
  - PPE
  - furniture frames and materials
  - workplace procedures, manufacturing specifications, codes, standards, manuals, and reference materials.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
