Assessment Requirements for MSFUP3023 Develop cutting plan and cut multiple layer upholstery fabric

Assessment Requirements for MSFUP3023 Develop cutting plan and cut multiple layer upholstery fabric

Modification History

Release 1. Changes to code, application, elements, performance criteria, assessment requirements. Foundation skills added. Range of conditions removed. Assessment requirements changed.

Performance Evidence

There must be evidence the candidate has completed all the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- develop a cutting plan for at least 5 different products. At least 4 of the following materials should be included. At least 1 material should be patterned:
    - velour/velvet
    - tapestry
    - damask
    - linen
    - cotton
    - outdoor fabric or acrylic canvas
    - vinyl.
    -

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- common faults and inspection procedures for material, including:
    - plain and patterned fabric
    - velvet
    - vinyl
- work requirements, including workplace standards, for cutting multiple layer fabrics
- typical tools and equipment required for cutting multiple layer upholstery fabrics, including:
    - cutting table
    - tape measures
    - scissors
    - cutting blades
    - round knife cutter
    - straight knife
    - automatic cutting machines and cloth cutting machine

- work health and safety requirements, including personal protective equipment (PPE) and manual handling procedures.

-

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
  - work orders
  - cutting tools and fabrics required for performance evidence
  - PPE
  - workplace procedures, manufacturing specifications, codes, standards, manuals, and reference materials.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
