Release 2

MSMSS00005 Operate a drain cleaning system

Modification History

Release 2.0 – Skill set updated to include MEM09002B Interpret technical drawing.

Release 1.0 New Skill Set

Description

Not applicable.

Pathways Information

These competencies can provide credit towards relevant qualifications in the MSM Manufacturing Training Package

Licensing/Regulatory Information

Not applicable.

Skill Set Requirements

MEM09002B	Interpret technical drawing
MSMPER200	Work in accordance with an issued permit
MSMWHS110	Follow emergency response procedures
MSMWHS200	Work safely
MSMWJ302	Operate a drain cleaning system

Target Group

At least one member of the drain cleaning team needs to be competent to operate independently. This not only involves technical competence in operating drain cleaning systems but also requires safe operation within the worksite which may not be familiar to the operator.

Suggested words for Statement of Attainment

These competencies from the MSM Manufacturing Training Package meet the minimum industry requirements for an independent operator of drain cleaning systems.
