Assessment Requirements for MSS403054 Facilitate breakthrough improvements

Release: 1

Assessment Requirements for MSS403054 Facilitate breakthrough improvements

Modification History

Release 1. Unit code changed. Application changed. Performance criteria changed. Range of conditions removed. Foundation skills information added. Assessment requirements changed. Supersedes and is equivalent to MSS403041 Facilitate breakthrough improvements.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and:

- facilitated at least 1 breakthrough improvement event, including:
 - leading and motivating at least 1 of the following types of teams in planning, implementing and sustaining improvements:
 - a permanent formally identified team
 - a sub-group of a team
 - a formally designated team
 - an informal group of employees
 - stakeholders or specially established group brought together for the breakthrough improvement event.
 -

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- how organisation operations and processes contribute to the value stream
- types of waste (muda)
- imposed exclusions
- methods of identifying and evaluating options
- work health and safety (WHS) requirements relevant to facilitating breakthrough improvements.

Assessment Conditions

- Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions, contingencies, facilities, equipment and resources.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
