MST20116 Certificate II in TCF Production Support

Release 3

MST20116 Certificate II in TCF Production Support

Modification History

This version was released with MST Textiles Clothing and Footwear Training Package Release 3.0.

Release 3. Supersedes and is equivalent to MST20116 Certificate II in TCF Production Support (Release 2)

9 Elective units updated. Equivalent outcome.

Qualification Description

This qualification is intended for production workers who undertake vital production support roles in a textiles, clothing and footwear (TCF) manufacturing environment.

The worker would perform a limited range of operational support tasks directly related to the manufacture of TCF products. It provides the skills and knowledge required to work under supervision within a production environment.

The worker would apply a breadth and depth of knowledge to a defined range of situations and would be expected to apply this knowledge to solve a defined range of problems by applying known solutions to a limited range of predictable problems.

Elective units of competency should be chosen to meet the specialist skill needs of the area of application.

No occupational licensing or certification requirements exist at the time of publication.

Entry Requirements

There are no entry requirements for this qualification.

Packaging Rules

To be awarded the MST20116 Certificate II in TCF Production Support, competency must be achieved in **thirteen (13)** units of competency:

- **four (4)** core units of competency
- **nine (9)** elective units of competency, as described below.

Note: Where prerequisite units are identified they must be counted in the total number of units required for achievement of the qualification.

Packaging for an industry specialisation

In addition to packaging for a generic outcome, elective units of competency can be chosen to meet the specialist skill needs of the following areas of application:

- Footwear production

- Textile production
- Textile fabrication
- Clothing production

Core units of competency

Select all four (4) units of competency from the following list.

MSMWHS200	Work safely
MSMENV272	Participate in environmentally sustainable work practices
MSMSUP102	Communicate in the workplace
MSS402051	Apply quality standards

Elective units of competency

Select **nine (9)** elective units from Groups A and B as specified below.

- A minimum of **four (4)** units must be selected from Group A
- A minimum of **three (3)** units must be selected from Group B
- The remaining **two (2)** units may be selected from:
  - units not previously selected from Groups A or B
  - units from this Training Package, other endorsed Training Packages and accredited courses, where those units are available at Certificate II level or Certificate III level (maximum 1 unit).

Units selected from other Training Packages and accredited courses must be relevant to the qualification outcome and not duplicate units available within this qualification.
