MST30616 Certificate III in Laundry Operations

Release: 1

MST30616 Certificate III in Laundry Operations

Modification History

Release 1. Supersedes and is equivalent to LMT31110 Certificate III in Laundry Operations.

Qualification Description

This qualification is intended for those who perform supervision roles, specialised technical tasks or multi-skilled roles within a commercial laundry environment.

Work is usually performed in a defined range of skilled operations, usually within a range of broader related activities involving known routines, methods and procedures, where some discretion and judgement is required in the use of equipment or application of contingency measures and within known time constraints.

There are no specific licences that relate to this qualification. However, depending on the jurisdiction, licensing or regulatory requirements may apply to the use of some units in this qualification. Local regulations should be checked for details.

Entry Requirements

There are no entry requirements for this qualification.
