Assessment Requirements for MSTAT2010 Use basic textile production processes

Assessment Requirements for MSTAT2010 Use basic textile production processes

Modification History

Release 1. Unit code, Title and Application changed. Title changed to better reflect basic level of skills. Elements and Performance Criteria simplified with Element 1 and 2 combined. Foundation Skills field populated. Range of Conditions removed with relevant information moved to Knowledge Evidence. Assessment Requirements clarified with generic foundation skills statements moved to appropriate section and duplication with Performance Criteria removed. Supersedes and is equivalent to MSTTX1001 Produce a simple textile fabric or product.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and demonstrated the ability to:

- safely use basic textile production processes to create at least two textile items to required quality standards, to include use of at least one of the following processes:
  - felting
  - knitting
  - sewing
  - spinning
  - weaving.
  -

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- safe work practices and procedures and use of personal protective equipment (PPE)
- types of textile production processes, and required equipment and techniques used for fabric or product production:
  - felting
  - knitting
  - sewing
  - spinning
  - weaving
- types and styles of yarns used in textile production
- types of quality checks for textile items and how to respond to basic faults.
-

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:
  - simple textile designs
  - tools, equipment and materials
  - procedures for work health and safety.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
