MSTFP1001 Embellish footwear

Release: 1

MSTFP1001 Embellish footwear

Modification History

Release 1. Supersedes and is equivalent to LMTFP1001B Embellish footwear

Application

This unit of competency covers the skills and knowledge required to embellish footwear using a variety of hand and machine techniques.

The unit of competency applies to work in a supervised environment and is suitable for use in a VET in Schools program or where access to volume production and commercial machines and processes is not an option.

The unit of competency requires the application of skills associated with problem solving and planning and organising to prepare for and undertake embellishment of footwear. Ability to use simple technology will also be required. Self-management skills are required to meet quality standards.

No licensing, legislative or certification requirements apply to this unit at the time of publication.

Pre-requisite Unit

Nil

Competency Field

Footwear production

Unit Sector

Not applicable

Elements and Performance Criteria

Elements describe the essential outcomes.

Performance criteria describe the performance needed to demonstrate achievement of the element.

1	Determine job requirements	1.1	Follow standard operating procedures (SOPs)
		1.2	Comply with work health and safety (WHS) requirements at all times
		1.3	Use appropriate personal protective equipment (PPE) in accordance with SOPs

- | | | | |
|---|--------------------------------------|-----|--|
| | | 1.4 | Identify job requirements from specifications, drawings, job sheets or work instructions |
| 2 | Prepare to embellish footwear | 2.1 | Select footwear and type of embellishment |
| | | 2.2 | Determine embellishment specifications |
| | | 2.3 | Identify methods of embellishing by hand or machine and determine sequencing of operations |
| | | 2.4 | Identify and prepare required materials, tools and equipment |
| | | 2.5 | Set up work area and seating according to WHS practices |
| 3 | Embellish footwear | 3.1 | Embellish footwear by hand or machine |
| | | 3.2 | Use and maintain tools and equipment according to WHS practices |
| | | 3.3 | Identify any faults and take appropriate action to comply with quality standards |
| | | 3.4 | Finish footwear according to specifications and workplace procedures |

Foundation Skills

This section describes those required skills (language, literacy and numeracy) that are essential to performance.

Foundation skills essential to performance are explicit in the performance criteria of this unit of competency.

Range of Conditions

This field allows for different work environments and conditions that may affect performance. Essential operating conditions that may be present (depending on the work situation, needs of the candidate, accessibility of the item, and local industry and regional contexts) are included.

Workplace procedures include one or more of

- requirements prescribed by legislation, awards, agreements and conditions of employment

the following:

- SOPs
- work instructions
- oral, written and visual communication
- quality practices, including responsibility for maintenance of own work quality and contribution to quality improvement of team or section output
- housekeeping
- tasks related to environmental protection, waste disposal, pollution control and recycling
- WHS practices

Australian Standards include:

- the relevant industry or Australian Standards that are current at the time this unit is being undertaken

Types of embellishment include three or more of the following:

- decorative finishes that add to the design and create features, such as:
 - buttons
 - sequins
 - rhinestones
 - diamantes
 - bows
 - buckles
 - puff paint
 - punch work on leather
 - feathers

Specifications include one or more of the following:

- size, including length and width
- colour
- stitch type and size
- types and use of adhesives

Materials include one or more of the following:

- adhesives, such as:
 - polyurethane adhesives
 - solvent-based spray finishes
- fabrics, such as satin, silk, taffeta and lace
- ribbons
- beads
- buckles
- leather

- Finishing includes one or more of the following:**
- trimming loose threads
 - checking
 - spraying
 - cleaning
 - polishing
 - hand or machine sewing buckles
 - inserting heel cushion pads
 - attaching labels
 - pairing up
 - boxing

WHS practices

WHS practices must include hazard identification and control, risk assessment and implementation of risk reduction measures specific to the tasks described by this unit, including one or more of the following:

- manual handling techniques
- SOPs
- PPE
- safe materials handling
- taking of rest breaks
- ergonomic arrangement of workplaces
- following marked walkways
- safe storage of equipment
- housekeeping
- reporting accidents and incidents
- other WHS practices relevant to the job and enterprise
