**Assessment Requirements for MSTGN3013
Control production in a section of a TCF
enterprise**

Release: 1

Assessment Requirements for MSTGN3013 Control production in a section of a TCF enterprise

Modification History

Release 1. Supersedes and is equivalent to MSTGN3001 Control production in a section of a TCF enterprise.

Performance Evidence

There must be evidence the candidate has completed the tasks outlined in the elements and performance criteria of this unit, and:

- controlled production of 2 different items in a section of a textiles, clothing and footwear (TCF) enterprise, including:
 - organising machine operations, staff and production processes
 - identifying and addressing non-compliance and/or interruption to work flow,
 - managing production schedules and ensuring supply of resources to maintain work flow
 - using effective communication skills to convey targets and procedures to team members.

Knowledge Evidence

There must be evidence the candidate has knowledge of:

- safe work practices and procedures and use of personal protective equipment (PPE)
- Australian and industry standards relevant to enterprise
- production and work flow system in the workplace
- factors and constraints that negatively impact on effective work flow and how they can be controlled
- cost-effective work methods to achieve production objectives and timelines
- methods for monitoring and controlling the use of resources
- quality standards and practices relevant to product
- effective communication strategies
- workplace recording and reporting practices.

Assessment Conditions

Skills must have been demonstrated in the workplace or in a simulated environment that reflects workplace conditions and contingencies. The following conditions must be met for this unit:

- use of suitable facilities, equipment and resources, including:

- a TCF production environment set up with relevant standard operating procedures (SOPs) and safety information and equipment
- access to team members.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
