MSTGN5012 Participate in production planning processes

Release: 1

MSTGN5012 Participate in production planning processes

Modification History

Release 1. Supersedes **and is equivalent to** MSTGN5001 Participate in production planning processes.

Application

This unit of competency describes the skills and knowledge required to participate in production planning processes. Production plans are used to guide production according to enterprise needs

Discretion and judgement is required for this work, in planning and selecting processes, procedures or outcomes.

This unit of competency is applicable to all sectors of the textiles, clothing and footwear (TCF) industry.

Work may be conducted in small to large scale enterprises and may involve individual and team activities.

No licensing or certification requirements exist at the time of publication. Relevant legislation, industry standards and codes of practice within Australia must be applied.

Pre-requisite Unit
