## **Modification History**

## Description

This qualification covers work activities undertaken by workers undertaking work in smallgoods establishments. It is not appropriate for use as a pre-vocational qualification or for inclusion as a VET in Schools program unless there is opportunity for a sustained period of work placement in a smallgoods enterprise. A substantial component of this qualification must be assessed on the job.

#### Job roles

Job role titles covered by this qualification may include:

- smallgoods labourer
- smallgoods operator.
- •

### **Pathways Information**

#### Pathways into the qualification

Pathways into the qualification may be:

- direct entry without prior work experience
- after completion of MTM10111 Certificate I in Meat Processing (Smallgoods)
- through Recognition of Prior Learning
- through a school vocational studies program combined with work experience.

This qualification is suited to Australian Apprenticeship pathways.

#### Pathways from the qualification

After achieving this qualification, candidates may undertake:

- any other Certificate II in Meat Processing qualification, with credit for applicable units successfully completed
- MTM30911 Certificate III in Meat Processing (Smallgoods General)
- MTM31011 Certificate III in Meat Processing (Smallgoods Manufacture)
- MTM30211 Certificate III in Meat Processing (Food Services).

•

## Licensing/Regulatory Information

#### Licensing, legislative, regulatory or certification considerations

Units of competency in this qualification do not require a licence or certification.

## **Entry Requirements**

Not Applicable

## **Employability Skills Summary**

#### EMPLOYABILITY SKILLS QUALIFICATION SUMMARY

The following table contains a summary of the Employability Skills required by the meat industry for this qualification. The Employability Skills facets described here are broad industry requirements that may vary depending on qualification packaging options.

Due to the high proportion of electives required by this qualification, the industry/enterprise requirements described for each Employability Skill are representative of the meat industry in general and may not reflect specific job roles. Learning and assessment strategies for this qualification should be based on the requirements of the units of competency for this qualification.

| Employability Skill       | Industry/enterprise requirements for this qualification include:  |  |  |
|---------------------------|---|--|--|
| Communication             | <ul> <li>listening and carrying out instructions</li> <li>speaking clearly and directly with other personnel</li> <li>using mathematical skills related to areas such as time, weights and portion size</li> </ul>                                  |  |  |
| Teamwork                  | <ul> <li>working effectively as an individual as well as in a work team</li> <li>working effectively with workers from another country</li> <li>applying own knowledge to assist other members of the work team</li> </ul>                          |  |  |
| Problem solving           | <ul> <li>showing independence in identifying problems, such as<br/>malfunctioning equipment or OH&amp;S issues</li> </ul>   |  |  |
| Initiative and enterprise | <ul> <li>adapting to new situations, such as changes to products or introduction of new equipment</li> <li>using numeracy skills to solve problems, such as modification of temperature settings</li> </ul>   |  |  |
| Planning and organising   | • managing time and priorities, such as work times and meeting production schedules   |  |  |
| Self-management           | <ul> <li>monitoring and evaluating own performance to ensure team and production requirements are met efficiently</li> <li>taking responsibility for own work output</li> </ul>   |  |  |
| Learning                  | <ul> <li>being receptive to learning new ideas and techniques, such as changed work instructions, new equipment and processes</li> <li>learning in a range of settings, such as through formal training or informally from other workers</li> </ul> |  |  |
| Technology                | <ul><li>using technology, such as workplace machinery</li><li>applying OH&amp;S requirements when using technology</li></ul>  |  |  |

#### **Packaging Rules**

#### **Packaging Rules**

Complete sixteen (16) units of competency in total.

- complete all five (5) core units of competency
- complete eleven (11) elective units of competency, made up of:
  - a minimum of three (3) units of competency from Group A
  - a minimum of six (6) units of competency from Group B.

Two additional elective units may be selected from Group A or B or any Certificate II qualification in this Training Package, or any other Training Package or accredited course. Units selected must be relevant to smallgoods processing and must not duplicate any unit already contained in the qualification. **Oualification structure** 

| Qualification struct | luit   |            |   |
|----------------------|--|------------|---|
| Core units           |  |            |   |
| MTMCOR202A           | Apply hygiene<br>and sanitation<br>practices                     | MTMCOR205A | Communicate in the workplace                      |
| MTMCOR203B           | Comply with<br>Quality<br>Assurance and<br>HACCP<br>requirements | MTMCOR206A | Overview the meat industry                        |
| MTMCOR204A           | Follow safe work<br>policies and<br>procedures                   |            |   |
| Elective units       |  |            |   |
| Group A              |  |            |   |
| MTMPS201C            | Clean work area during operations                                | FDFOP2061A | Use numerical<br>applications in the<br>workplace |
| MTMS101C             | Handle materials and products                                    | HLTFA301C  | Apply first aid                                   |
| MTMS102C             | Pack smallgoods product  |            |   |
| Group B              |  |            |   |
| MTMPSR203A           | Sharpen knives   | MTMS213B   | Slice product<br>using simple                     |

|            |  |            | machinery   |
|------------|--|------------|---|
| MTMPS300A  | Assess product in chillers                                     | MTMS214B   | Rotate stored meat  |
| MTMP2054C  | Inspect<br>hindquarter and<br>remove<br>contamination          | MTMS215B   | Rotate meat<br>product  |
| MTMP2055C  | Inspect<br>forequarter and<br>remove<br>contamination          | MTMS216B   | Inspect carton meat   |
| MTMP2133C  | Store carcase product  | MTMS217A   | Prepare dry<br>ingredients  |
| MTMP2134C  | Store carton product   | MTMS218B   | Manually link and tie product   |
| MTMP2197C  | Clean after<br>operations -<br>boning room                     | MTMS219A   | Measure and<br>calculate routine<br>workplace data                          |
| MTMPS203C  | Operate scales and<br>semi-automatic<br>labelling<br>machinery | MTMSR201C  | Prepare and slice meat cuts   |
| MTMPS205C  | Clean chillers   | MTMSR202C  | Trim meat to specifications   |
| MTMPS206C  | Operate a forklift<br>in a specific<br>workplace               | MTMSR203C  | Package product<br>using automatic<br>packing and<br>labelling<br>equipment |
| MTMPSR201C | Vacuum pack<br>product   | MTMSR204C  | Despatch meat<br>product  |
| MTMS205C   | Package product<br>using thermoform<br>process                 | FDFOP2007A | Work in a freezer storage area  |
| MTMS206C   | Package product<br>using gas flushing<br>process               | FDFOP2010A | Work with<br>temperature<br>controlled stock                                |

| MTMS207C | Operate bar and coder systems       | MSL922001A  | Record and present data  |
|----------|-------------------------------------|-------------|--|
| MTMS208C | Operate metal detection unit        | CPPCLO3038A | Clean<br>food-handling<br>areas                                |
| MTMS210B | Select/identify and prepare casings | TLID2013A   | Move materials<br>mechanically<br>using automated<br>equipment |
| MTMS211B | Manually shape<br>and form product  |             |  |

# Units with prerequisite units

The following units from this qualification contain prerequisite units.

| Unit   | Prerequisite              |
|--|---------------------------|
| MTMP2054C Inspect hindquarter and remove contamination | MTMPSR203A Sharpen knives |
| MTMP2055C Inspect forequarter and remove contamination | MTMPSR203A Sharpen knives |
| MTMSR201C Prepare and slice meat cuts                  | MTMPSR203A Sharpen knives |
| MTMSR202C Trim meat to specifications                  | MTMPSR203A Sharpen knives |
