POLAUX007 Support road policing services

Modification History

Release	Comments
1	This unit was released in POL Police Training Package release 1.0 and meets the Standards for Training Packages.

Application

This unit describes the skills required to support road policing services, including safe driving, administering legislation, controlling traffic and conducting initial crash investigations.

This unit applies to those working as community police staff, in metropolitan and/or remote areas.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those relating to work health and safety (WHS) and codes of conduct.

Those undertaking this unit would demonstrate independent judgement, taking responsibility in known contexts and defined parameters. They would perform routine tasks, whilst providing and transmitting solutions in predictable contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
