Release: 1

POLAUX028 Represent policing in community engagement activities

Modification History

Release 1. This is the first release of this unit of competency in the POL Police Training Package release 7.0.

Application

This unit describes the skills and knowledge required to represent policing in community engagement activities, including developing networks and encouraging community participation.

This unit applies to those working as police liaison officers, operating within a policing environment.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to.

Those undertaking this unit would work autonomously or under supervision with responsibility for their own functions and outputs. They would undertake complex tasks within established parameters and would develop solutions in predictable contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
