Assessment Requirements for POLCOV015 Manage stress in a covert environment

Release: 1

Assessment Requirements for POLCOV015 Manage stress in a covert environment

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- assessing impacts that cause stress in a covert environment
- identifying influences that cause personal stress
- developing strategies to mitigate stress in a covert environment
- communicating and liaising with team members and stakeholders
- developing support networks

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- mitigation techniques and strategies to respond to workplace stress
- information gathering, sharing and analysis techniques
- information privacy
- team dynamics
- jurisdictional support resources
- jurisdictional legislation policies and procedures relating to work health and safety
- psychological influences that may cause stress

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Consideration must be given to holistic assessment for this unit. Refer to advice in the companion volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
