Application

This unit describes the skills required to plan, present, and review evidence, statements, and materials for the judicial system. This unit applies to police personnel and forensic staff involved in forensic investigation. The skills and knowledge described in this unit must be applied within the legislative, regulatory, and policy environment in which they are conducted. Jurisdictional policies and procedures must be consulted and adhered to, particularly those related to workplace health and safety. Candidates undertaking this role would work autonomously while retaining the responsibility to report to senior staff. They would demonstrate adaptability across a broad range of contexts while performing a variety of tasks.

No licensing, legislative, or certification requirements apply to unit at the time of publication.
