Assessment Requirements for POLGEN021

Provide a policing response

Release: 1

Assessment Requirements for POLGEN021 Provide a policing response

Modification History

Release	Comments
1	These Assessment Requirements were released in POL Police Training Package release 1.0 and meet the Standards for Training Packages.

Performance Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the candidate must demonstrate evidence of performance of the following on at least one occasion.

- presenting oneself in a professional manner
- conducting planned patrols and engaging with community members
- collecting and assessing information and intelligence for reporting purposes
- identifying areas of focus for policing responses based on persons/groups of interest, jurisdictional goals, trends, and sources of information
- developing, implementing and continually assessing policing responses based on situational requirements, available resources, and risks
- identifying primary and subsequent incident scenes, and associated persons of interest
- securing and preserving incident scenes and evidence
- minimising risks to self, colleagues and public
- completing required post-incident actions, including debriefings, follow up actions, reports and response reviews

Knowledge Evidence

Evidence required to demonstrate competence must satisfy all of the requirements of the elements and performance criteria. If not otherwise specified the depth of knowledge demonstrated must be appropriate to the job context of the candidate.

- patrol processes, in line with jurisdictional policies and procedures
- jurisdictional command and control/incident response policies and procedures
- capabilities, powers and authorities of services external to policing
- inter-agency emergency management arrangements
- role and responsibilities of police in emergency management incidents
- scene preservation and examination procedures
- duty of care and use of force responsibilities

- jurisdictional laws, by-laws and regulations relating to offences against persons and property
- jurisdictional laws, by-laws and regulations covering discrimination and disability
- jurisdictional policies covering reactive operational safety issues and practices
- reporting requirements in relation to operational activities

Assessment Conditions

This unit contains no specific industry-mandated assessment conditions. Guidance on suggested and recommended conditions and methods can be found in the Implementation Guide.

Consideration must be given to holistic assessment for this unit. Refer to advice in the companion volumes.

Assessors must satisfy the NVR/AQTF mandatory competency requirements for assessors.
