# **POLGEN028 Facilitate community and stakeholder engagement for policing purposes**

## **Modification History**

Release 1. This is the first release of this unit of competency in the POL Police Training Package.

## **Application**

This unit describes the skills required to facilitate community and stakeholder engagement, including developing understanding of community-specific needs, demonstrating informed practice, and delivering policing services to communities.

This unit applies to those working as a police supervisor with responsibilities to lead the community and stakeholder engagement process.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those related to codes of ethics and codes of conduct.

Those undertaking this unit would demonstrate strong autonomy, making independent decisions and accessing support from a broad range of services. The individual would be responsible for supervising small teams, providing guidance and assistance, and displaying leadership as part of routine command duties. They would perform routine tasks within familiar and/or unpredictable contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
