POLINV011 Conduct investigative interviews

Release: 1

POLINV011 Conduct investigative interviews

Modification History

Release 1. This is the first release of this unit of competency in the POL Police Training Package.

Application

This unit describes the skills required to conduct investigative interviews with diverse participants, including the planning, conducting and recording of interviews and undertaking the post-interview process.

This unit applies to those working as police officers, generally in a designated investigation role, to obtain complete, accurate and reliable information related to investigations.

The skills and knowledge described in this unit must be applied within the legislative, regulatory and policy environment in which they are carried out. Organisational policies and procedures must be consulted and adhered to, particularly those related to interview techniques, recording processes and codes of conduct.

Those undertaking this unit would demonstrate strong autonomy, accessing and evaluating support from a broad range of services. They would be required to possess strong decision making and problem-solving skills, investigative interviewing abilities and robust interpersonal skills. They also require complex task organisation and analysis skills in broad and unpredictable contexts.

No licensing, legislative or certification requirements apply to unit at the time of publication.
